

CALIFORNIA AIR FORCE ASSOCIATION (CAFA)
EDUCATION FOUNDATION FOR AEROSPACE FOUNDATION (EFA)
TEACHER OF THE YEAR (TOY) NOMINATION FORM

The CAFA Education Foundation for Aerospace (EFA) is responsible for the CAFA's Teacher of the Year program (K-12) which recognizes outstanding teachers who have demonstrated accomplishments instructing science, technology, engineering, mathematics and/or aerospace education in California. As a result of the teacher's instruction, K-12 students should be motivated to study and demonstrate interest in these fields. Candidates will compete at the chapter level, then at the area level and finally at the state (CAFA) level. There will be three CAFA teachers of the year awards that will be presented normally at the yearly convention. A CAFA Teacher of the Year, and two area teachers of the year. The following information must be submitted for each area nominee to EFA education committee who will make the teacher of the year selection.
